Dear FCC,

I am writing to request a waiver for the current 471-filing window. I have been responsible for our district's eRate filing and documentation over the past ten years. I have never missed a deadline. This year the 471 deadline was move to mid-March. The deadline has not been in March for several year. I fully expected to be early when I went to complete form 471. Once I accessed the form, I found out I was two days late. The funds we are requesting will be used to upgrade our current wireless access points for our Jr. High campus. I have taken the time to determine if we can wait on this upgrade for next year, but I feel we need to complete this upgrade as soon as possible. I strongly urge you to approve our waiver of form 471 application number 181041913.

Sincerely and Respectfully,

Bryan Fuqua
